

Perry's Solid Waste Disposal

DIVISION OF ARNOLD BROTHERS EQUIPMENT CORP.

151 Oakland Drive
Oakland, Maryland 21550
(301)-334-2450 Fax (301)-334-2188

This letter is to provide you with information about our service. As a residential customer your service will include the following:

- You can dispose of 4 – 30 gallon garbage bags, or if totor customer – container that is provided, of household trash each week. (House hold trash is trash that you would throw away in your kitchen trash can.)
- If you regularly have more than 4 – 30 gallon bags you may need to increase your service.
- We will occasionally pick up extra trash for an additional fee per bag. Our policy is to never leave trash – we will pick the trash up and charge your account.
- A reasonable amount of extra trash will be picked up on holidays at no extra charge (example Christmas).
- Trash containers must be placed at the end of your driveway for service.
- If disposing of cardboard boxes or newspapers you can bring them to our shop at 105 Arnold Lane at no cost. Between 9:00 a.m. & 2:00 p.m. Monday thru Friday.
- Household bulk items – call our office and we can let you know how to dispose of these items.
- Payment must be received within the due date. If payment is not received you will be put on our skip list (stop service – billing will continue - until payment is received).

Please sign on the line below stating that you understand what your service includes and mail back to the above address.

We would like to take this opportunity to thank you for choosing us as your trash service provider. We appreciate your business.
